

Palm Sunday  
Devotional Thoughts  
April 5, 2020

Individually or as a family read through Matthew 21-1-9. You might want to also read the Old Testament prophecy of this even recorded in Zachariah 9:9.

To stress the points made in the message today, think individually or discuss as a family the following:

1. What about Jesus omniscience, the fact that he knows everything, brings you comfort right now?

---

---

---

2. What about Jesus omnipotence, the fact that he is the all-powerful Son of God, brings you comfort right now?

---

---

---

---

3. Sometimes we forget to personalize the Gospel. Think or talk about how comforting it is to realize that Jesus cares about you personally as much as he has ever cared about anyone in history.

---

---

---

---

4. Jesus so clearly demonstrated his ability and his willingness to help us. Discuss the many ways that Jesus offers his help to the specific things we might be facing today.
