Walk through Holy Week together as a family!

Read the lessons from the bible as a family. Invite older children to read with you; summarize for younger children. Discuss the bible lessons and ask each other questions. Then, try some of the following activities:

PALM SUNDAY

- 1) Make your own palm branch out of paper and act out the story.
- 2) Using sidewalk chalk, draw a palm leaf trail & jump from leaf to leaf!

MAUNDY THURSDAY

- 1) Have dinner sitting on the floor, just like they did in Jesus's day!
- 2) Sit in a circle and play Pass the Cup (like Hot Potato) to a song.

GOOD FRIDAY

Talk about how feeling sad is ok. Use quiet time to draw parts of the story (crosses, crown of thorns, handprint w/nail marks...), write prayers.

EASTER SUNDAY

- 1) Roll the Stone Away: put the handle of a spoon in your mouth and use it to push a ball across the room.
- 2) Have a spoon and egg relay!

Jesus is Risen! He is Risen indeed! Alleluia!
